## PROFILE

After completing an apprenticeship in floristry and gaining a few years of work experience, I trained and worked as a Master Florist in Germany.

Since arriving in New Zealand in 1994 I've been working as a professional florist and floral designer. In 1996 I joined FASNZ as a member of Geraldine Floral Art Group and have been involved in their activities ever since.

I progressed through the FASNZ education system and am now a demonstrator, National Teacher and National Judge.

My work has been featured in national and international publications.

Since 2006 my designs have been showcased in every edition of 'International Floral Art'.

My floral journey has allowed me to teach and demonstrate in many places sharing and celebrating our art form.
